

Jerry Valeske Team Trophy Rules

1. A club team consists of four randomly selected regatta entries.
2. Teams will be declared after the closing of the registration. Each team will be given a Team flag, to be flown between mainsail boom and lower batten.
3. Racing as a team member does not affect the individual race results.
4. Team members can sail in the same fleet or in different fleets.
5. There is no additional fee to compete for the Team Trophy. Individual Team member's registration is sufficient.
6. Racing Rules of Sailing - appendix D (Team Racing Rules) does not apply.
7. Scoring is based on individual's ranking in his/her fleet, at the completion of the Regatta. The RTS formula used for calculating team points for each Team member accounts for the fleet size in which the team member races and is based on a logarithmic scale.

Below examples of four different fleet sizes:

8. For Teams <>four entries, Team's total score will be adjusted to a Team of four.
9. The Team with the highest total points wins the Jerry Valeske Team Trophy.

The Team Trophy is dedicated to the late Jerry Valeske, a staunch advocate for inclusive catamaran sailing and friend of the "Live on the Edge" Regatta.
